and

Summary of Interview with Examiner on April 6, 2000

This response is in reply to a second (FINAL) office action (date mailed: March 6, 2000) and in follow up to a personal interview with Examiner , held on April 6, 2000.

(1) Applicant acknowledges, with appreciation, having been granted a personal interview with Examiner on April 6, 2000. In the interview;

(i) Applicant discussed the rejection of claim 13 under 35 USC 102(b) over Haugwitz 4,961,811 and explained the following structural differences between Haugwitz's teachings and claims and applicant's teachings and claim 13, pointing out the following:

a) Haugwitz mentions numerous paper articles existing "on the market which allow attachment to a surface" for which "strong and lasting attachment is sought". In contrast, Haugwitz also mentions the "removable self stick paper sheets" (which utilize the
